1. Purpose

This Data Use and Sharing Agreement ("Agreement") establishes the terms and conditions under which data from the Cafrimplot network ("Data") will be shared by the Cafrimplot consortium ("Provider") to ("Recipient").

2. Description of the Data The Data includes (tick when applicable) :

- ☐ Tree species identification ;
- ☐ Tree measurements (e.g., height, diameter, crown size, etc.) ;
- ☐ Plot geo-locations (i.e., subkilometric GPS positioning) ;
- ☐ Environmental data (e.g., soil properties) ;
- ☐ Temporal data (e.g., dates of measurement, multi-census data) ;
- ☐ Traits data (e.g., foliar nitrogen content, LMA...) ;
- ☐ Aggregated data (to be described below) at plot level or above
- ☐
- ☐

3. Permitted Uses The Recipient may use the Data exclusively for the purpose of the analyses described in Appendix A (i.e., background, objectives, data needs, methodological approach, expected scientific outputs).

4. Restrictions on Use The Recipient agrees not to:

- Use the Data for commercial purposes without prior written consent of the Provider ;
- Use the Data for purposes not outlined in Appendix A ;
- Share the Data with any third party ;
- Redistribute the data, even in its original, unmodified form ;

5. Data Security The Recipient agrees to implement reasonable measures to protect the Data, including:

- Storing the Data in secure, access-controlled environments.
- Limiting access to authorized personnel only.
- Notifying the Provider immediately in case of any data breach.

6. Attribution and Acknowledgment The Recipient agrees to:

- Agree with the Provider on the inclusion of co-authors from the Provider's consortium in any publication that uses the Data.

7. Data Ownership Ownership of the Data remains with the Provider. The Recipient is granted a non-exclusive, non-transferable license to use the Data under the terms of this Agreement.

8. Reporting and Communication The Recipient commits to regularly informing the Provider on the progress of any analyses based on the shared Data. Updates should include, but are not limited to:

- Major findings and preliminary results.
- Status of ongoing research or projects.
- Plans for publication and dissemination.
- Any concerns or issues encountered in the analysis.

9. Liability and Indemnification The Provider makes no warranties, express or implied, regarding the Data, including its accuracy, completeness, or suitability for any particular purpose. The Recipient assumes all risks associated with the use of the Data and agrees to indemnify the Provider against any claims arising from such use.

10. Entire Agreement This Agreement constitutes the entire agreement between the parties regarding the Data and supersedes any prior agreements, written or oral.

11. Amendments Any modifications to this Agreement must be made in writing and signed by both parties.
